

Rush Creek Yacht Club Youth Summer Camps

Rush Creek Yacht Club invites you to our summer camps for boys and girls 7-18 years of age with a wide range of programs from learn-to-sail, advanced racing training and adventuring. You have an opportunity to introduce or develop a skill that your child can use the rest of their life, improve their hand-eye coordination and balance, and build a sense of independence and self-esteem!

For kids 7 to 18, our **Summer Sailing Camps** consists of four (4) one-week sessions, and one (1) two week session from June through August. Participants will make friends in a hands-on interactive program and learn to sail a boat by themselves, basic seamanship and safe boating habits. They will not only learn sailing technique, but have fun trips to other parts of Lake Ray Hubbard, use of the RCYC pool and many other water related activities.

For kids 10 to 18, our **Adventurers Camp** consists of on the water activities including kayaking, paddle boarding, and larger boat sailing.

Our summer coaching staff is comprised of US Sailing certified collegiate and high school sailors. If you have questions, contact our **Coach and Program Manager Paul Barnes** at 312-320-3040.

Registration is online at www.RCYC.org

Rush Creek Yacht Club Youth Summer Camps

RCYC's Youth Sailing Fleet

The **Optimist** is an eight-foot; kid sized singlehanded dinghy that is easy to manage and fun to sail. The "Opti" is a great boat for juniors to begin sailing, and provides a great platform to learn racing.

The **Laser** is a dinghy for older youth sailors. It is a great platform to build boat-handling and racing skills. This boat has three different size sails, allowing us to tailor the boat to the weight of the sailor.

The **420** is an ideal entry-level training boat for all ages. This is a double-handed boat with main and jib. Advanced sailors can learn to rig the spinnaker and trapeze for an exhilarating thrill. This is the primary boat used on the Texas Sailing Association's Youth Circuit and in Collegiate Sailing.
