

RCYC CLUB BOAT POLICIES

(Revised: 2/20/18)

Club boats may be chartered by Regular or Associate members of Rush Creek Yacht Club as defined in the By-Laws or used in special educational programs sponsored by Rush Creek Education Fund (RCEF). All charters and club boat fleet memberships are subject to sales tax and capital improvement fund (CIF) charges.

CURRENT LIABILITY RELEASES MUST BE ON FILE WITH THE CLUB OFFICE PRIOR TO ANY CHARTER

CLUB BOAT CHARTER

1. RCYC Regular or Associate members may charter by the day, for Wednesday night races, or regattas.
2. Members must be checked out and have signed liability release on file.
3. Boats are available day or night every day.
4. Charter only blocks you plan to use. Cancel your reservation if your plans change.
5. Can reserve a boat four weeks in advance
6. RACING HAS PRIORITY OVER DAYSAILING on scheduled race days.
7. If boats are not used for racing (i.e., sitting at the dock), may be used for day sailing.
8. Boats reserved during times of scheduled racing are assumed to be chartered for racing. Check RCYC Aux Racing calendar for race dates.
9. Reservations are first come, first served, but we encourage not leaving anyone on the dock!
10. The Certified Club Boat Program Fleet member or chartering skipper must be on the boat.

CLUB BOAT FLEET MEMBERSHIP

Membership in the club boat program requires a \$900/year commitment. The period of the agreement is from April 1 to March 31 of the following year. The charge will be added to your club bill and may be paid lump sum or paid out \$90/month for 10 months. Club Boat Fleet Membership allows unlimited use of boats (with the exception of special RCYC activities or educational programs sponsored by RCEF). A special regatta fee of \$50/day for the use of a set of racing sails is charged with the purpose of escrowing funds for future sail purchases. A member joining the Club Boat Program for the first time may prorate his fee from the month of joining. Sales tax and CIF charges will be added.

The RCYC Office will automatically renew your membership on April 1 of the following year unless you have indicated on your financial liability form that you do not wish to have it automatically renewed.

If automatically renewed by the office, you have 30 days to contact the RCYC Office to cancel, make the payment in full or notify the club office of your election to utilize the monthly payment option.

NON CLUB BOAT PROGRAM CHARTER FEE STRUCTURE

- Daily racing or cruising \$95/day
- Wednesday Night Race \$95/Evening
- Dallas Race Week Regatta: \$95/Day Boat Rental and \$50/Day Sail Rental for use of racing sails
- Other regattas \$95/day plus \$50 Racing Sail Rental

RESPONSIBILITIES OF CHARTERER:

- 1) Is responsible for up to first \$500 damage in lost or damaged equipment.
- 2) Must provide own running lights, if sailing after sundown (red/green for bow and white to attach to rudder) and is responsible for Texas Parks & Wildlife ticket for operating without lights.
- 3) Junior sailors 12 and under are required by Texas Parks & Wildlife to wear a life jacket or PFD at all times while aboard a boat. Please bring one that will fit your child.
- 4) Report any damaged or lost equipment to Rear Commodore of Club Boats (icrcyc@gmail.com). Charterer is responsible for up to the insurance deductible for lost equipment or damage. If you see worn equipment, or running rigging needing replacement, let us know so that it can be replaced before it breaks during a race or regatta.
- 5) Charterer must attempt to avoid contact and/or collision with another boat.
- 6) If there is damage, and responsibility is not claimed, a hearing will be held with Commodore, VC 6ace, RC Club Boats, designee from Finance Committee
- 7) If it is determined that right-of-way charterer could have avoided collision, right-of-way charterer may share in payment of deductible.

CLUB BOAT POLICY FOR USE BY THOSE ENROLLED IN THE JUNIOR SAILING PROGRAM OR SEA SCOUTS

1) Those enrolled in the RCYC Junior Sailing Program or Sea Scouts are encouraged to use the club IC24s. In order to encourage this and also to support the junior program and Sea Scout program the club is waiving the \$95/day or \$900/year club boat rental fee for juniors and scouts when the older dock sails are used. The Juniors and Scouts will pay \$50/day if the newer regatta sails are used just like club boat members and everyone else. This will help provide funds for replacement sails in the future.

2) When the club boats are used by juniors or scouts the boat or boats must be reserved using the club boat reservation system. The name of the person reserving the boat must be included in the reservation and this person is the person responsible for the boat while it is used. This person must have completed the Sailing Experience/Checkout Exam for the club boats and the Club Boat Liability Agreement (RCYC and RCEF Boat Use Agreement). If there are damages to the boat this person is

responsible for up to \$500 in damages or lost equipment. Should there be lost or damaged equipment from Junior use the Vice Commodore of Education may approve damages being covered by the junior program instead of the person who reserved the boat. Should there be lost or damaged equipment from Sea Scout use The Sea Scout Skipper (Charter Organization Rep) may approve damages being covered by the Sea Scout program instead of the person who reserved the boat.

3) Junior sailors 12 and under are required by Texas Parks & Wildlife to wear a life jacket or PFD at all times while aboard a boat. Please provide one that will fit your child. Sea Scouts of any age must wear a PFD.

4) Report any damage or lost equipment to icrcyc@gmail.com. Help note running rigging or other worn equipment that needs replacing before it breaks.

5) Charterer must attempt to avoid contact and/or collision with another boat.

6) If there is damage, and responsibility is not claimed, a hearing will be held with Commodore, Vice Commodore of Race and Rear Commodore of Club Boats

7) If it is determined that right-of-way charterer could have avoided collision, right-of-way charterer may share in payment of deductible.

8) RCYC Junior Sailors are defined as junior sailors between the ages of 8 and 18 who are actively enrolled in the RCYC junior sailing program. Sea Scouts are defined as sea scout sailors by being a member of the Boy Scouts of America.

9) Club boats may be made available for organized junior program activities to be coordinated with the VC Education or Junior Program Manager/Coach and the Rear Commodore Club Boats.

10) Responsible club members (21 or older) or the Program Manager/Coach will be on-board the club boats or in close proximity (chase boat) while the boats are in use.

11) The sailor must be at least 16 years of age in order to skipper the boat without an adult (club member 21 years or older)

12) The skipper must have passed the Club boat checkout procedure

13) The member responsible for the junior skipper must have signed the Club Boat Liability Agreement that is on www.rcyc.org (RCYC and RCEF Boat Use Agreement)

14) The skipper must have completed a Texas Parks and Wildlife approved boater safety course and have a copy of their certificate on file with the club office

15) When utilizing Club IC24s for Junior Program Activities, the Junior Program will maintain all responsibility for lost or damaged equipment.

16) When reserving a club boat for junior or sea scout use the person's name responsible for the boat shall be used and the word "Juniors" or "Sea Scouts" shall follow the name. This will alert the club manager to waive the club boat rental fee.

17) Juniors and Sea Scouts may reserve one club boat for racing up to 2 weeks in advance. Should they want to race a second or third club boat they must wait until 5 days before the race in order to allow the paying club boat members a chance to reserve a boat. For junior practice on non racing days the juniors may reserve up to 4 IC24s up to 3 weeks in advance.

18) During races a responsible adult must be on board the club IC24 at all times. During Junior practice a responsible adult must be on board the IC24 or nearby in a chase boat at all times.

19) The RCYC go/no go chart applies at all times. There is no use of the club boats by Juniors or Scouts in the "RC Discretion" category.

GUEST SKIPPER PROGRAM

Guest Skipper passes are available to allow members the ability to utilize the club's IC24s to recruit new yacht club members and promote the club boat program. The number of passes will be determined annually by the Board of Governors. Passes will be administered by the RC Club Boats or the RC Membership. Guest skipper must be certified for club boat use and sign the *RCYC Club Boat Use Liability Agreement*.

RCEF/RCYC SPECIAL EVENTS

Use of club owned IC24s requires Board Approval, along with designated member bosun who will be responsible for handling damage deposits, taking care of repairs/damages to boats or sails during the event as well as returning boats and equipment to the same position on hoists or storage boxes where they were prior to the event. If there is no conflict with regular club events, RC Club Boats will block off dates in the Setmore reservation system, once approved by the Board.
